Adjourn

Board of Supervisors Minutes
July 6, 2026

The Tama County Board of Supervisors met at 8:30 a.m. July 6, 2026. Present: 1st District Supervisor, Curt Hilmer; 2nd District Supervisor, David Turner; 3rd District Supervisor, Heather Knebel; 4th District Supervisor, Mark Doland and 5th District Supervisor, Curt Kupka. Also, Tama County Auditor, Karen Rohrs, and members of the public.

The Pledge of Allegiance was recited.

Motion by Turner, seconded by Kupka to approve the agenda. Discussion: None. All voted aye. Motion carried.

Public Comments: Public comments were heard from Karen Murty. Public comment time closed at 8:34 am.

Motion by Turner, seconded by Hilmer to approve the minutes of the June 29th regular meeting. Discussion: None. All voted aye. Motion carried.

Supervisor Kupka gave a roads project report.

The Chelsea Fire Department will be holding their annual car show on July 25, 2026 and requests the county temporarily close a portion of Highway V18 to host the car show. Motion by Kupka, seconded by Hilmer to approve the following resolution. Discussion: This will be for July 25th from 6:00 am to 6:00 pm.

RESOLUTION 7-6-2026A

Tama County
Highway/Street Closure

WHEREAS, the Chelsea Fire Department is hosting a benefit including a car show on Saturday July 25th, 2026

WHEREAS, they have requested a temporary closure of Highway V18 south of the railroad to facilitate the event, and

WHEREAS, the City of Chelsea will provide a detour for traffic,

THEREFORE, BE IT RESOLVED that the Tama County Board of Supervisors directs Highway V18 between 1st Street and Iowana Street will be closed on July 25th, 2026 from 6:00 AM to 6:00 PM.

Roll Call Vote: Hilmer, aye. Turner, aye. Knebel, aye. Doland, aye. Kupka, aye. Resolution passed and adopted this 6th day of July, 2026. Heather Knebel, Chairwoman, Board of Supervisors. Karen Rohrs, County Auditor.

The Board reviewed the 2026 Homestead/Military Exemptions and Removals as presented by the County Assessor. Motion by Turner, seconded by Doland to approve the following resolution. Discussion: None.

RESOLUTION 7-6-2026B

2026 Homestead/Military Exemptions and Removals

WHEREAS, pursuant to Iowa Code 425.3, 425A.3, and 426A.14 the Tama County Board of Supervisors has received the Homestead Tax Credit claims and Military Service Tax Exemption claims from the County Assessor for the 2026 taxes, payable 2027-2028.

BE IT RESOLVED that all claims filed are allowed except those recommended for disallowance by the County Assessor, a list of which is on file in the County Auditor's Office.

BE IT FURTHER RESOLVED that the Chairwoman of the Board is hereby authorized to sign notices of disallowance to claimants whose applications for Homestead Tax Credits and Military Service Tax Exemptions have been disallowed.

Roll Call Vote: Hilmer, aye. Turner, aye. Knebel, aye. Doland, aye. Kupka, aye. Resolution passed and adopted this 6th day of July, 2026. Heather Knebel, Chairwoman, Board of Supervisors. Karen Rohrs, County Auditor.

Motion by Turner, seconded by Doland to approve moving next week's meeting to Tuesday, July 14th at 8:30 am, due to Proclamation Day Holiday. Discussion: None. All voted aye. Motion carried.

Motion by Turner, seconded by Kupka to approve the regular claims for payment as presented in the amount of \$70,149.28. Discussion: The Heartland Insurance premiums will be paid in August to allow more interest to be earned. All voted aye. Motion carried.

New Business: Supervisor Hilmer stated he had attended the Board of Health meeting and that the Board of Health would like to meet with the Board of Supervisors on July 22nd at noon. Supervisor Doland informed the Board that he had attend a Region 6 meeting. Supervisor Turner informed the Board that two core switches will need to be purchased, and he is in the process of receiving bids for those. Supervisor Knebel will be attending a Heartland meeting this Thursday.

Public Comments: Public comments were heard from Karen Murty, Stacey Zeman, and Gerald Husak. Public comment time closed at 8:55 am.

Motion by Hilmer, seconded by Turner to adjourn the meeting. All voted aye. Motion carried. Chairwoman Knebel adjourned the meeting at 8:55 am.

These minutes are intended to provide a summary of the discussions and decisions made during the Board of Supervisor meeting. For the most accurate and comprehensive record, please refer to the audio recording of the meeting that can be provided upon request at the auditor's office.

TAMA COUNTY UTILITY PERMIT APPLICATION

This is a Utility Permit Application for telecommunications, electric, gas, water and sewer utilities. The applicant agrees to comply with the following permit requirements. Compliance shall be determined by the sole discretion of the County Engineer as deemed necessary to promote public health, safety and the general welfare. These requirements shall apply unless waived in writing by the County Engineer prior to installation.

Applicant Name: Grundy County REC
Street Address: 303 North Park Ave.
City, State & Zip Code: Grundy Center, Iowa, 50638
Telephone Number: (319)824-5251
Contact Person: Tony Sienknecht

1. Location Plan. An applicant shall file a completed location plan as an attachment to this Utility Permit Application. The location plan shall set forth the location of the proposed line on the secondary road system and include a description of the proposed installation.
2. Written or Verbal Notice. At least two working days prior to the proposed installation, an applicant shall file with the County Engineer a notice stating the time, date, location and nature of the proposed installation.
3. Inspection. The County Engineer shall provide a full-time inspector during all permitted work done by a third party contractor. The inspector shall have the right, during reasonable hours and after showing proper identification, to enter any installation site in the discharge of the inspector's official duties, and to make any inspection or test that is reasonably necessary to protect the public health, safety and welfare. The cost of providing this inspection service shall be paid by the permit holder upon submission by Tama County of a bill for such services. All requirements listed in section 4 (Requirements), below, shall be met (less written exemptions) regardless of whom actually performs the work.
4. Requirements. The installation inspector shall assure that the following requirements have been met:
 - A) Construction signing shall comply with the Manual on Uniform Traffic Control Devices.
 - B) Depth - The minimum depth of cover shall be as follows:

Telecommunications.....	36"	Electric.....	48"
Gas.....	48"	Water.....	60"
Sewer.....	60"		

If the utility is installed in the road ditch and if the ditch has silted in above the original flow-line, add the depth of silting to the "minimum depth" to obtain the required depth in a particular location.

I talked to Tony on 7-9-26 about putting the new poles in the back slope of the ditch.

TAMA COUNTY UTILITY PERMIT APPLICATION

- C) The applicant shall use reference markers in the right of way ("R.O.W") boundary to locate line and changes in alignment as required by the County Engineer. A permanent warning tape shall be placed one (1) foot above all underground utility lines.
- D) All tile line locations shall be marked with references located in the R.O.W. line.
- E) No underground utility lines shall cross over a crossroad drainage structure.
- F) Residents along the utility route shall have uninterrupted access to the public roads. An all-weather access shall be maintained for residents adjacent to the project.
- G) A joint assessment of the road surfacing shall be made by the applicant and the County Engineer both before and after construction. After construction, granular surfacing shall be added to the road by the applicant to restore the road to its original condition. After surfacing has been applied, the road surface shall be reviewed by the County Engineer (after the road has been saturated), to determine if additional surfacing on the roadway by the applicant is necessary.
- H) All damaged areas within the R.O.W. shall be repaired and restored to at least its former condition by the applicant or the cost of any repair work caused to be performed by the County will be assessed against the applicant.
- I) Areas disturbed during construction which present an erosion problem shall be solved by the applicant in a manner approved by the County Engineer.
- J) All trenches, excavations, and utilities that are knifed shall be properly tamped.
- K) All utilities shall be located between the bottom of the back-slope and the bottom of the fore-slope, unless otherwise approved in writing by the County Engineer prior to installation.
- L) Road crossings shall be bored. The minimum depth below the road surface shall match the minimum depth of cover for the respective utility. All entrances with culverts shall either be bored or, the utility shall be placed at least 24" below the bottom elevation of the culvert.

5. Non-Conforming Work. The County Engineer may halt the installation at any time if the applicant's work does not meet the requirements set forth in this Utility Permit.

6. Emergency Work. In emergency situations, work may be initiated by an applicant without first obtaining a Utility Permit. However, a Utility Permit must be obtained within fourteen (14) days of initiation of the work. All emergency work shall be done in conformity with the provisions of this ordinance and shall be inspected for full compliance.

TAMA COUNTY UTILITY PERMIT APPLICATION

7. County Infraction. Violation of this permit is a county infraction under Iowa Code section 331.307, punishable by a civil penalty of \$100 for each violation or if the infraction is a repeat offense a civil penalty not to exceed two hundred dollars for each repeat offense. Each day that a violation occurs or is permitted to exist by the applicant constitutes a separate offense.

8. Hold Harmless. The utility company shall save this County harmless of any damages resulting from the applicant's operations. A copy of a certificate of insurance naming this County as an additional named insured for the permit work shall be filed in the County Engineer's office prior to installation. The minimum limits of liability under the insurance policy shall be \$1,000,000.

9. Permit Required. No applicant shall install any lines unless such applicant has obtained a Utility Permit from the County Engineer and has agreed in writing that said installation will comply with all ordinances and requirements of the County for such work. Applicants agree to hold the County free from liability for all damage to applicant's property which occurs proximately as a result of the applicant's failure to comply with said ordinances or requirements.

10. Relocation. The applicant shall, at any time subsequent to installation of utility lines, at the applicant's own expense, relocate or remove such lines as may become necessary to conform to new grades, alignment or widening of R.O.W. resulting from maintenance or construction operations for highway improvements.
